

Instructors for Veterinary Nursing Course

VAM Inc. Veterinary Nursing Course coordinator Dr. Socklingam has requested MSAVA to inform Veterinarians who would be interested in becoming Instructors for the Veterinary Nursing Course.

Please provide us with your curriculum vitae and the discipline you would be interested in being and instructor, to me as soon as possible. I will then forward your details to the course coordinator for their decision and appointment.

MSAVA was informed that the instructors will have to prepare their own notes, power point presentation. The Instructors will be paid on an hourly basis. Details will be with the coordinator.

The modules are as below:

Chapter 1: Relationship and accountability in Veterinary nursing practice

Chapter 2: Health and Safety in Veterinary Nursing Practice

Chapter 3: Applied functional anatomy for veterinary nursing practice

Chapter 4: Maintaining animal health

Chapter 5: Essential veterinary nursing skills

Chapter 6: Nursing support in the provision of veterinary services

Chapter 7: Application of veterinary nursing care

Chapter 8: Principles and practices of diagnostics for veterinary nurses

Chapter 9: Pharmacology and pharmacy support for veterinary nursing practice

Chapter 10: Surgical theatre practice for veterinary nurses

Chapter 11: Supporting anaesthesia in veterinary practice

Please send me you details and field of interest to
